

May 14, 2020

Dear Juan,

This Spring has been an unprecedented season where every one of us has been forced to deeply consider the fundamental importance of home – of having safe, decent, affordable shelter. Our homes have been our safe haven, providing us peace, comfort, and safety. Our homes have been our workplaces, schools, childcare centers, and a place to eat, sleep, and play together. The world was already experiencing a housing crisis, but now COVID-19 has revealed the extent of that crisis and added to its urgency.

We want to thank YOU for your generosity and faith in our mission. Because of your support this year, we have been in a strong financial position to continue building better homes and brighter futures in Gwinnett County, even through this unprecedented crisis. We are proud that we have had the resources and capability for our construction staff and subcontractors to continue building this Spring.

We are on schedule to complete the first 2 homes in Snellville by June. Our homeowner families are grateful for your support that allows us to continue building and for them to achieve their dream of affordable homeownership this year.

Meet the Timmons Family.

Cherone is a single mother of five boys, ranging from ages 2 to 16 and a veteran of the U.S. Army. They currently live in a 3-bedroom home in Gwinnett where the roof leaks, mold grows throughout, there is a bug infestation in the kitchen, and the A/C and heat are unreliable. But it has been an affordable place to live without uprooting her family.

See enclosed letter and photo from Cherone.

*"I can finally fulfill my promise to my sons of giving them their own HOME.
This home symbolizes the beginning of our new life."*

You are building homes. You are building communities. You are building hope.

Gwinnett Habitat for Humanity stands ready to continue to build security and stability, re-connect communities, and create hope. A safe, decent, affordable home takes on a whole new meaning in this season.

We thank you for your commitment to our mission and for your support that helps us provide a hand up to hardworking families with the dream of achieving a brighter future.

Gratefully,

Rev. Brent Bohanan
Executive Director
